JERSEY COW SETS NEW RECORD.

STORRS, Conn., March 8.—A new record for milk production from a Jersey cow is claimed by Connecticut. Fauve's Star, owned by A. V. While Fauve's Star took the crown for milk she lacked only thirty-five pounds of making a world's Jersey record for butter fat, her production being 1,005.9 pounds.

WILL OF BANKER LIPPINCOTT SUSTAINED.

An appeal from probate of the will had been taken by Miss Agnes Lippincott of Philadelphia, a niece of the banker, on the ground that a later will had been naming other beneficiaries than Mrs. Bartlett.
